For your review, below is a listing of issues affecting the Chester County/G.O. Carlson Airport (MQS).

NEW BUSINESS

- * **AWOS Annual Inspection:** The FAA conducted an annual inspection on MQS's Automated Weather Observation System (AWOS). No corrective items were discovered.
- * **Installation of AWOS shielding device:** A shielding device used to protect the AWOS's Anemometer (measures wind force and velocity) has been installed
- * **Terminal Water Fountain:** The water fountain in the terminal building was repaired and returned to service.
- * **Photocell Replaced:** The Photocell for the Aviation Way street light, which provides light for the drive-thru gate keypad, was replaced.

OLD BUSINESS

- * **Aviation Way Rehabilitation Project:** This project started on July 19th and was completed on July 27th.
- * **Terminal Building Door Repaired:** The door activation switch that allows handicapped people to gain unassisted access and egress from the terminal building, was repaired.
